Sarah -

Are you ok if we don't schedule SHB 113 until the second week of Sept? It would be outside the 30 day window and Nicole needs management confirmation. The NOV went out Aug 7 so Sept 6th would be around the 30 day mark.

This is supposed to occur within 30 days. Please consult with management before we approve going out this far.

I'm relatively free the first week of Sept, but completely free the second week. My calendar is up to date Nicole, so pick what works for you guys! Marshall is back then too.
